Positive Steps for IPA Botswana

Group photo with the new NEC and regional office holders,
as well as international IPA guests

WORD OF INTRODUCTION

Dear friends,

As the IEB liaison member for the African sections, I was pleased to accept an invitation to attend the IPA Botswana National Congress in Gaborone to offer support and advice to the section, currently in suspension.

Arriving 2 days early to recover from the trip, my wife Dianne and I were looked after by Nono Wadipeda of the Special Support Group and director of music, who offered us the services of a driver, Charles, for our stay. We visited a local game park and the National Museum. We were taken by Emmanuel Morris, Assistant Commissioner to HQ, where we met the two Deputy Commissioners, Mr Tapudzani Gabolekwe (currently Acting Commissioner) and Ms Dinah Marathe. They all displayed great interest in revitalising the IPA in Botswana and working hard to lift the suspension at the first opportunity at the next IPA World Congress.

*With Deputy Commissioners
Mr TP Gabolekwe and
Ms D Marathe at Police HQ*

We later visited the Junior Officers' Club, where we met the enthusiastic local regional committee members and others from around the country as they arrived for the congress. We also linked up with the delegations from Eswatini and Mozambique and IPA South Africa president, Vossie Vos.

The National Congress was held on 1 March 2019, with around 60 Botswana members, plus the guests from the visiting sections. Among the speakers was a former president of the section, Mr TE Tsimako, who gave a witty and inspirational address. Reports on activities were then provided by the 4 regions of the section.

The congress gets under way

The secretariat team gave excellent support

I was invited to preside over the election process for the new NEC, assisted by tellers from IPA Eswatini and Mozambique.

After lunch, I made a presentation on the IEB, its commissions and opportunities for IPA members. I then went through the roles and responsibilities of NEC members, since we had many new office holders in the room.

Lunch break during the congress

Counting votes for a post during the elections

The next day, there was an excursion to Big Valley Game Lodge, near Lobatse, some 2 hours' drive from the capital. Fifty or so members from the host and visiting sections enjoyed a game drive, followed by use of the lodge's facilities, including a refreshing swimming pool and Botswana's first and as yet only zipline. The day was rounded off back in Gaborone by a dinner dance at the congress hotel.

Most of IPA Botswana's newly elected National Executive Board

I am very positive about the future for IPA Botswana, with all the enthusiastic members I met during my visit, and hope that I shall be in a position to recommend to the IEB in October that the suspension be lifted.

My thanks go to Mojwadi Pitso and Neo Kebonye for their work over the past year and to Emmanuel Morris for taking the steps to restart the NEC. Also, thanks to all who looked after my wife and myself during our visit to Gaborone and showed the true spirit of IPA. As the good folk there exclaim joyfully, 'Servo!!'

Stephen Crockard, Head of Administration

AROUND THE WORLD

NEW NATIONAL PRESIDENT

IPA MACAU

Firstly, I am grateful to all members of Section Macau for their trust and support. I was re-elected as President unanimously in the elections which touched me and made me understand the responsibility I carry.

I will make every effort in the next term as President to promote the name and the spirit of our Association, which is *SERVO PER AMIKECO*.

*First meeting of IPA Macau's
new National Executive Board*

Last year, IPA Macau encountered many challenges, but all of these were settled by our incredible team. We organised seven different activities in 2018, with a member participation rate of 70%.

For 2019, we are planning to organise 10 events for members and their families, to enrich their lives and enhance their professional knowledge.

In addition, the project of the Asian Affairs Bureau is in full swing. In this new term of leading Section Macau, I

will leave no stone unturned and the team and I will do whatever we can to promote the development of the IPA in Asia.

Last but not least, this year, we will also focus on our cooperation with other IPA sections so as to show the concrete friendship of our Association to the world.

In Friendship,

Lei Hong Po, President IPA Macau

20 new Stolpersteine in Gouda, the Netherlands, thanks to the IPA World Congress 2019 fundraiser

On Monday morning 11th March, Gunter Demnig laid twenty new Stolpersteine at seven addresses in Gouda. All other 'stumble stones' had been polished by volunteers the week before, so now we have got 258 shiny Stolpersteine at 64 addresses in our city.

It was a cold and rainy day, but the ceremonies at the seven addresses warmed our hearts. Descendants of the deported families attended the laying. Some of them told heart-breaking stories later on, when I showed them the Metaheerhuis with three panels displaying the names of the 388 Nazi victims.

Alderman Thierry van Vugt gave a speech to show the support of the City of Gouda. Poet Inez Meter, who is in her nineties, recited her wonderful poem 'stumble stones', and another poet recited her poignant poem 'Every stone a victory'. Two school classes were also present, and at all addresses there was a group of people who were involved. They listened attentively to the stories and the kadish that was said and placed pebbles on the newly-laid Stolpersteine.

Ceremony at Westhaven 59 for married couple Oppenheimer-Blümlein

Ceremony at Krugerlaan 66 for family de Levie and their niece Rosetta Levano

After the laying of the Stolpersteine, I mailed Gunter Demnig's representative to tell her about the ceremonies. I also asked her if we can order new Stolpersteine for next year. I know they've got many requests, but hopefully she'll put us on their list for next year.

Gunter Demnig laid the following new Stolpersteine:

- Westhaven 59: two Stolpersteine for butcher Sigmund Oppenheimer (65) and his wife Babette Oppenheimer-Blümlein (59).
- Krugerlaan 66: one Stolperstein for housekeeper Rosetta de Levie (25). For tax official Israël de Levie (56), his wife Johanna de Levie-Zondervan (50), their daughter Evalina Clara de Levie (18) and young niece Rosetta Levano (12) four Stolpersteine had already been laid some years ago.
- Burgvlietkade 79: three Stolpersteine for Fritz Mohr (42), Alice Mohr-May (39) and their young daughter Renate Mohr (9).
- Sophiastraat 37: four Stolpersteine for merchant Herbert Kirchheim, his wife psychiatrist Anne Marie Kirchheim-Brahn, their young daughter Margit

Lieselotte (6) and for refugee boy Helmut Rosenberg (19). At this address one Stolperstein had already been laid some years ago for Heinz Ludwig Lewkonja (18).

- Graaf van Bloisstraat 56: three Stolpersteine for metal worker Hermann Lachmann (37), his wife Rachel Margot Lachmann-van Gelder (35) and their young son Jozef Lachmann (7).
- Crabethstraat 5: four Stolpersteine for Julius Kobijlinski (64) who once owned an electricity business, his wife Hertha Kobijlinski-Naumann (53) and their adult sons Walter (31) and Erich (22).
- Cappenersteeg 2: three Stolpersteine for the former grocer Gerson Mol (46), his wife, saleswoman Frederika Mol-Wolffers (62) and her sister Sophia Catharina de Gast-Wolffers (61).

All in all a wonderful morning to remember. I've posted the stories on the Facebook page Elisabeth Citroen and on www.goudsmetaheerhuis.nl. At the end of this year I hope to publish a book with stories of the 258 Jewish citizens we have now laid Stolpersteine for in Gouda.

Thank you all for your absolutely overwhelming donations last year. We don't have to worry anymore if we'll have the money to achieve what we have in mind: to lay Stolpersteine in Gouda for all 388 Jewish citizens who were deported and killed by the Nazi-regime. It's so reassuring to know that we have the financial support to accomplish this. With the twenty new Stolpersteine we are well on our way to reach this goal!

Holding an IPA Annual General Meeting – Icelandic Style ☺

IPA Iceland held its annual meeting on 22 March 2019, following a two-day professional seminar organised by the section in cooperation with a local police association, as well as the speaker, IPA member Ken Pennington, formerly of the Police Service of Northern Ireland.

For some time, Section Iceland has been making strides to reform the budget in order to be able to provide more for its members. Membership has been on a slow but steady increase, but with more members being retired (retirees don't pay fees in IPA Iceland), the number of paying members has declined. Despite this, our means for hosting an event have got better.

In 2016, Ken Pennington was in Iceland and held a short talk regarding counter-terrorism, which was well-attended. We have kept in touch since then, and followed it up with a request to give another lecture in Iceland. Ken was more than willing to do so, and we are very grateful that he accepted our invitation. During his stay, we were able to discuss tactics and concerns regarding an ever-changing situation in the world with regard to terrorism. As is common practice, we were able to discuss friendship in a Guinness Forum style. We visited some spectacular nature sites, and enjoyed Icelandic food and drink.

To be honest, the annual meeting did not meet the Secretary General's requirements, as it dragged on for a full 35 minutes, whereas we had hoped to finish in 26 minutes! Nevertheless, the current national board was able to recap the past year and present a new board for its members. We have plans to pay for two guests for next year's World Congress, but we presented the option for members to visit Croatia as guests during this year's World Congress. I am pleased to say that at least one member has already made plans to attend. Einar introduced his plan for a position on the IEB, which was met with understanding and support.

The positions of President, Secretary General and Treasurer will be up for election in 2021, but a new board was elected this year: Hrannar Arason, Leifur Halldorsson, Gunnar Scheving, Sveinbjorn Olafur, Fridjon Ingi Sigurjonsson, Pall Fannar Helgason and Jon Orn Haraldsson were re-elected for another year. The email is the same, ipaisland@gmail.com and we look forward to hearing from you!

31. Skiwoche der IPA Österreich

Die 31. IPA-Skiwoche war wieder ein gemütliches und kameradschaftliches Zusammentreffen von 130 IPA-Mitgliedern.

Teilnehmer aus 9 Nationen (Dänemark, Deutschland, Estland, Italien, Lettland, Norwegen, Österreich, Russland und Slowenien) wurden von 25 Mitgliedern der Verbindungsstelle Oberkärnten betreut. Somit konnten diese das Skigebiet mit den 110 Pistenkilometern

bei ausgezeichneten Pisten- und Wetterverhältnissen genießen.

Zum Begrüßungsempfang im Landhaus ‚Waidegger Wirt‘ konnte den Teilnehmern ein Gastgeschenk mit Spezialitäten aus der Region - Gailtaler Speck, Gailtaler Almkäse, Verhacktes und ein Brot aus der heimischen Bäckerei - zur Stärkung übergeben werden.

Bei gemeinschaftlichen Zusammentreffen während des Skifahrens, wie Gulaschsuppenessen beim Alpenhof Plattner, Gröstlessen beim Hotel Gartnerkofel und einer Jause bei Tommy's Ederhof, konnten sich die Teilnehmer stärken und sich eine Pause bei Speis und Trank gönnen.

Der geplante Rodelabend am Montag musste aufgrund der vereisten Rodelbahn aus Sicherheitsgründen abgesagt werden. Als Ersatzveranstaltung führte unser IPA-Mitglied Gerhard Ras einen sehr interessanten Bilderabend von seiner organisierten Reisemobiltour - Transsib Baikalsee – vor.

Zum Festabend am Donnerstag im Landhof Waidegger Wirt wurden langjährige Teilnehmer für ihre Treue von Vertretern der Stadtgemeinde Hermagor-Pressegger See und der Marktgemeinde Kirchbach geehrt. Unser Präsident der Sektion Österreich, Martin Hoffmann, sowie eine russische Delegation aus Moskau und Kirov erwies der Veranstaltung auch die Ehre.

Mit Tanz und guter Laune ging dieser Abend zu Ende.

Die Skiwoche konnte Gott sei Dank unfallfrei und mit der Zufriedenheit aller Teilnehmer am Samstag, dem Abreisetag, beendet werden.

Die Hauptorganisation wurde nach 30-maliger Organisation durch Ehrenpräsident Ewald Grollitsch im vorigen Jahr an den Sekretär der Verbindungsstelle Oberkärnten, Hannes Burgstaller, übertragen. Als Organisator gilt der herzliche Dank den Mitorganisatoren, Betreuern, Teilnehmern, Beherbergungsbetrieben, Liftgesellschaften und dem Tourismusbüro für die Unterstützung und gute Zusammenarbeit.

Der Organisation einer weiteren Skiwoche steht nichts im Wege, und wir freuen uns auf ein Wiedersehen bei der nächsten Auflage der IPA-Skiwoche 2020 in der Skiregion Nassfeld – Hermagor.

IPA Hungary visitors lay wreath at the Keith Palmer Memorial during their stay in London

Three members of IPA Hungary, including the President and Secretary General of the section, visited IPA UK after having submitted a Travel Form.

On Monday, 4 March 2019 they met up with our London Reception Officer, Dipesh Dattani, who had arranged for them to have a photo session outside Number 10 Downing Street.

Dipesh also arranged a visit around New Scotland Yard.

Our Hungarian friends had also expressed the specific wish to visit the Keith Palmer Memorial.

PC Keith Palmer was killed on 22 March 2017 while protecting Parliament from a terrorist attack. The memorial, situated outside Parliament, was unveiled in February 2019 as a permanent tribute to PC Keith Palmer, and our 3 Hungarian visitors laid a wreath.

A nice touch.

IPA Slovenia organise Police Orchestra Charity Concert

In January 2019, IPA Club Celje, in association with the Police Directorate Celje and the Regional Police Trade Union Celje, staged a charity concert of the Police Orchestra, with well-known Slovenian singer Nuša Derenda and a vocal music group, IL-divji, performing as guests.

In collaboration with the humanitarian society 'Enostavno pomagaj' from Celje, we collected donations for children living in poverty and for those with special needs. Part of the donations from the fundraising was given to one of our colleagues from the Police Orchestra, who has been left alone with his son after the loss of his wife.

More than 1,150 people attended the concert. As always, the Police Orchestra enthralled the audience, as did Nuša Derenda and the vocal music group. The atmosphere at the event was very pleasant, due to the exceptionally positive energy of both the performers and the people in the audience, who showed their enjoyment of the concert programme with standing ovations.

The organisers of the concert are very proud that we managed to collect 6,779.11 €. With these donations, we will be able to bring smiles to many children's faces.

IPA Club Celje successfully cooperates with the Police Directorate Celje and the Regional Police Trade Union Celje. The organisation of the charity concert was one amongst numerous well-regarded projects that we prepared together, and we will most definitely continue with similar activities.

IPA Kenya conduct Seminar on Gender Based Violence Prevention and Effective Response

IPA Kenya organised a 3-day seminar from 25-27 February 2019 in partnership with the Gender Violence Recovery Centre. The seminar, which drew participants from the National Police Service, medical practitioners, faith-based organisations, community-based organisations and the National Government Administration, was conducted at the Swiss Lenana Mount Hotel, Nairobi. A total of 54 participants attended, 30 of whom were serving officers and the remaining 24 were stakeholders from other sectors.

The Gender Violence Recovery Centre (GVRC) is a charitable trust of the Nairobi Women's Hospital Group. The centre provides free medical treatment and psychosocial support to survivors of gender based violence (GBV), more specifically sexual and domestic violence. Following consultative meetings with IPA Kenya, the two organisations formalised an agreement to conduct a multi-sectoral training event involving police officers alongside other stakeholders, to enhance the understanding of mutual problems faced in resolving gender-related crimes.

Participants displaying certificates of accomplishment

In his keynote address, IPA Kenya's President Alfred Osur noted that the involvement of all stakeholders was essential in the realisation of effective community policing. He said that gender violence was prevalent in the communities, and that the best way to combat it was by ensuring that every person in positions of responsibility was adequately equipped with effective response and prevention knowledge. He praised the Chief Executive Officer of the Trust, Ms. Alberta Wambua for the mutually beneficial partnership with the IPA, and said that similar programmes would be conducted in selected regions across the country in the future.

The seminar topics included: primary prevention and advocacy, understanding the causes and drivers of GBV, outlining the existing legal framework on prevention and response to gender based violence offences, understanding the systematic process in the investigation of GBV cases and incidents, understanding the fundamental principles in handling of GBV survivors, and understanding the referral structure in the management of GBV.

The seminar also took the participants through the role of various stakeholders in prevention and response to GBV. The participants confirmed that they had benefitted

and were thoroughly equipped with: understanding and ability to identify the various types of gender-based violence, basic counselling skills, fundamental principles in handling GBV survivors, and how to interview children survivors.

Meanwhile, the Kenyan Section held the 2019 National Congress, led by the Section's President, Mr Alfred Osur, on 22 February at the Lions Complex Auditorium, Loresho in Nairobi.

IPA Estonia host international Women's Symposium

From 14-16 March 2019, the Estonian Section of the International Police Association and several Estonian women's organisations jointly held the symposium 'Women from World Over' in Tallinn.

The event's purpose was to advance and strengthen women's influence in business, government and society at

large, by promoting understanding and tolerance among different cultures, collaboration among women's organisations in pursuit of security and sustainability of peace, in the name of friendship among peoples.

For three days, the symposium focused on the participants' knowledge, experience and energy to establish how to encourage women to realise their dreams and to make societies better.

Among the participants were women and men from Bahrain, Estonia, Finland, Germany, Kenya, Latvia, Lithuania, Saudi Arabia, Sweden and the USA.

The programme included a reception at Tallinn's Central Police Department, where the visitors were introduced to its operations and aims.

In addition, the participants were made familiar with the IPA, including the Estonian Section and the NGO Women's Network of the Estonian Police, plus they toured Tallinn's wonderful Old Town.

IPA Poland organise 2nd IPA Zakopane Region's President Cup in Alpine Skiing and Snowboarding

After last year's 1st Alpine Skiing and Snowboarding Championships for the IPA Zakopane Region President's Cup, the board of our region had decided that our event should become part of the programme of events organised by IPA Poland. This year, IPA members from many Polish regions, as well as from the Slovakian regions of IPA Poprad and Kosice, as well as policemen, Border Guard officers and friends of our

Association participated. Due to the large interest, we chose the Rewita Holiday Centre in Kościelisko as our base, which was able to accommodate everyone, and in addition, had a room where we could hold the Big Ski Ball to conclude the Championships.

The competition was run under the honorary patronage of the Mayor of Bukowina Tatrzańska, Mr Andrzej Pietrzyk, District Commander of the Police in Zakopane, Col. Piotr Dziekanowski, and the Commandant of Border Guard Post in Zakopane, Col. Wiesław Górski.

The President of the IPA Polish Section, Fryderyk Orepuk, and the President of the Małopolska Provincial Group of the IPA, Aleksander Szymański, both accepted our invitation and attended.

The competition was organised in the following categories: skiing: men and women, plus snowboarding, with the final classification being decided after the addition of 2 runs. The Tatra Ski Association took care of the technical organisation of the slalom, and the Tatra Volunteer Ambulance Service provided the medical service for the competition. To start off the event, 'Harnaś' (robber-band chieftain) with his 'ciupaga' (shepherd's axe) appeared on the route.

Using the beautiful dialect of the highlanders, he welcomed all the competitors, before being the first to head down the slope. After this, our sports competition began. In the meantime, at 'Karczma Widokowa' on Kotelnica Białczańska there was a specially prepared catering zone for us, where regional specialties were on offer. After the competition, everyone was able to enjoy the charming surroundings of the best ski resort in Poland.

The Great Ski Ball on our last evening began with a gala dinner, after which the competition results were announced and prizes were awarded. President Szymański handed out the cups for the best skier and snowboarder - a member of the Małopolska Provincial IPA Group. In addition, first to third-placed competitors received commemorative cups and gifts.

After the official part, the evening entertainment started with a wonderful concert by friends from IPA Poland who serve in the Police Orchestra of the Provincial Police HQ in Wroclaw. The evening was rounded off with a disco lasting until dawn.

We invite everyone to view our Facebook page and website: www.ipa-seirpzakopane.pl/ , <https://www.facebook.com/IPA-Zakopane> .

LAST WORD

Amongst the many articles we feature in our Newsletters, I am always glad that we are able to highlight charity events and fundraisers, such as the articles on Stolpersteine from the Netherlands, and the Charity Police Concert from Slovenia.

In this respect, I would like to mention that the IEB is in the process of launching an Emergency Aid Appeal for our IPA friends in Mozambique, following the devastation caused by Cyclone Idai in March.

The videos and photos I have seen show that help on a large scale is urgently needed – and your generosity will be greatly appreciated by the IEB and those in need in Mozambique.

Thank you in advance.
